

STATS, SATS & THE ETHERNET

A CENTRAL SCOTLAND FOREST & TIMBER TECHNOLOGIES INDUSTRY REGIONAL EVENT

Wednesday 20th March 2019

5.15pm buffet before 6pm meeting

Stirling Court Hotel, FK9 5PH

[Getting there](#)

Come and hear how the latest satellite technology is and will transform our knowledge about our forests, how this can assist our management and prediction of future timber supplies, and how that is being put into practice right now. And get up to date on everything else that's going on in your area.

Attendance is FREE but prior registration is required

A light buffet will be served before the presentations start at 6pm under the chairmanship of Raymond Henderson of Bidwells. Presentations will include:

- **Forest mapping from the sky and on land**
 - **Liz Clarke** – Spatial data manager, IFOS
 - **Ruth Forrester**, RTS and **Scott Arbuckle** – Arbuckle Contractors
- **Roots for Further Growth**
 - **Andy Leitch**, Timber Development Policy Advisor, FC Scotland
- **Industry updates –**
 - **Cameron Maxwell**, FCS Conservator for Perth & Argyll
 - **Claire Glaister**, GR Forestry Consultancy – timber haulage update
 - **Confor** on general Industry matters

To book your place, [please register here](#)

advising of any dietary requirements.
